

**AATTENTION PROVIDERS SUBMITTING PROFESSIONAL MEDICARE CROSSOVER CLAIMS TO MOLINA
CLAIMS DENIED FOR EDIT 204 IN ERROR – TO BE RECYCLED**

In August, changes were made to claims processing logic which caused some professional Medicare Crossover claims that do not require an attending provider to erroneously deny with edit 204 (Billing Provider Not on Attending Provider Record on Date of Service). This issue has been corrected and the affected claims will be recycled on the 01/12/2016 RA. No action is required by providers to resubmit claims. Some of these claims will now pay and others may deny for the appropriate edit reason. We apologize for any inconvenience this may have caused.
