

Attention EarlySteps Speech Language Pathologists billing CPT codes 92507 and 92508:

Effective with dates of service July 1, 2018 and forward, EarlySteps made updates to the units of service for CPT codes 92507 and 92508 from time-based to a single event-based unit per day. Claims submitted with dates of service prior to 7/1/18 were inadvertently denied in this week's payment cycle with denial code 809. Molina/Medicaid is aware of the problem and claims that were otherwise submitted correctly will be recycled for payment on the remittance of July 17, 2018. No action is required by providers to receive payment.
