

ATTENTION PROFESSIONAL PROVIDERS

LICENSED MIDWIVES NOW ELIGIBLE TO ENROLL AS MEDICAID PROVIDERS:

Licensed Midwives are now a recognized provider type under Louisiana Medicaid. To be eligible for enrollment, Licensed Midwives must be certified by the North American Registry of Midwives (NARM) and possess a current, unencumbered license from the Louisiana State Board of Medical Examiners (LSBME).

Retrospective enrollment of Licensed Midwives will not be authorized. The enrollment process must be complete prior to the provision of services. Services provided on dates of service prior to the effective date of enrollment are not eligible for reimbursement.

Covered vaginal delivery services are eligible for reimbursement only when provided at a Medicaid enrolled Free Standing Birthing Center (FSBC). Services provided at locations other than Medicaid enrolled FSBC's are not covered.
