

The Louisiana Department of Health (LDH) is seeking provider feedback as we develop an implementation plan to ensure compliance with a recent Agreement between LDH and the United States Department of Justice (DOJ).

As the result of a 2014 investigation, the DOJ alleged that Louisiana unnecessarily relies on nursing facilities to serve people with serious mental illness instead of serving them in the most integrated setting appropriate to their needs as required by the Americans with Disabilities Act (ADA).

LDH encourages providers to take our survey (<https://www.surveymonkey.com/r/S5ZY8W5>) by Wednesday, Aug. 22, 2018 to provide your feedback to LDH as they develop this implementation plan. Thank you.
